Day 1 (Shooting School)

Full days shooting tuition at Prescott Shooting School with professional game shooting instructors. Groups of 6 will be allocated an instructor for the day where you will go through gun fit, safety and gun handling in the "field" environment, shooting techniques, quarry recognition, cartridges, etiquette, dress code and gun cleaning. A presentation will be given from the head keeper of Forthampton Estate covering all aspects of the management of the shoot and the shoot days, Lunch will then be provided in the club house. After lunch a gun dog handling display will be performed by Forthampton Estate's head of the picking up team.

Day 2 (Forthampton Estate)

The day will start off with everyone meeting at the Hunters Pub for bacon rolls, tea & coffee. There will be an introductory talk and safety brief from Daniel (owner of Prescott Shooting), this will be followed by everyone being split into three teams, Team A will start shooting, Team B will start beating and Team C will start with the picking up team. There will be a total of 9 drives of which each team will get to shoot 3 drives, beat 3 drives and pick up 3 drives. The shooting line will have instructors on hand all day to supervise and instruct everyone shooting. Elevenses will be served mid morning. At the end of the day everyone will meet back at the Pub for a shoot dinner followed by prize giving and thank you speeches.
